QUALITY CUTLERY

HERE'S A "BEST SELLER" BIG VOLUME BUILDER FOR YOU

No. P4810. This new highly crafted axe-hunter combination is a real sportsman's favorite. Handles are made of long-lasting color-fast, chip proof tenite—shaped to fit the hand perfectly—balanced to make cutting easy. Both axe and knife of finest cutlery steel, are made tougher and sharper by WESTERN'S own exclusive tempering processes . . . they hold a sharp clean-cutting edge even under hard service. Double-tong construction locks handles and end-knobs in place forever . . . they absolutely cannot come loose.

DESIGNED BY OUTDOORSMEN AND FIELD-TESTED
IN THE ROCKY MOUNTAIN WEST

The New WESTERN combination is practical, durable, a necessary addition to good camping and hunting equipment. Each unit is individually boxed for attractive gift packaging. Over-all length of unit is 10 $\frac{3}{4}$ " —weighs only 1 lb. 8 oz. Cutting edge of axe is 2 $\frac{5}{16}$ ". Head is 4". Hunting knife has 4 $\frac{3}{8}$ " blood groove blade.

Attractive and serviceable decorated sheaths of finest sole leather firmly attach or can be used separately.

Western's Finest-of-All Axe-Knife Combinations

Here's a truly great top-quality combination that makes an exceptional gift item for hunters, fishermen, and campers. Axe or blade used interchangeably in non breakable pearl composition handle. Convenient locking device secures axe or blade to handle. Full set weighs only 1 lb. 7 ozs. in sheath. Axe and handle are 10 $\frac{3}{4}$ ". Blade is 4 $\frac{3}{8}$ ". Genuine sole leather embossed sheath. Packed in attractive gift boxes. Convenient for cleaning gun in the spot. Net wt. each, 1 lb. 7 ozs. No. 23910.

No. L6610. Same quality axe-hunter combination as P4810 except axe and knife have highly polished decorated leather handles. Knife has 4 $\frac{1}{2}$ " sabre blade. Unit weighs 1 lb. 11 oz.

DIE CUT INTO TANG

EASY TO SELL • EASY TO ORDER • EASY TO CONTROL STOCK

HERE'S WHY "WESTERN" IS AMERICA'S FAVORITE SPORTSMEN'S KNIFE

- Practical Design.** Outdoorsmen who hunt, camp and fish right here in the Rocky Mountain West design all WESTERN knives. They understand the perfection required in creating a knife that's efficient for its particular type of use.
- Know-How of Cutlery craftsmen.** 4 generations of cutlery skill and knowledge are built into every knife. Exclusive tempering processes plus many hand-operations in manufacture assure sportsmen a top-quality highly-crafted knife that gives years of dependable use.
- Finest Possible Materials** enable WESTERN knives to hold a sharp, clean-cutting edge even under hardest service.
